

## *Manufacturers that we represent in Georgia*

### **Acrison, Inc.**

Dry Chemical Feed Equipment,  
Polymer Feed Systems, Lime &  
Carbon Towers

### **Fluence**

Membrane Aerated Biofilm Reactors

### **Air Diffusion Systems**

Fine Bubble Aeration

### **Hydria Water**

**(Formerly MN Water Treatment Products)**

Stainless Steel Step Screens, Hydraulic  
Piston Presses, Wash Presses, Screw  
Conveyors, Grit Washers, Vortex Grit  
Separators

### **Carbtrol Corporation**

Activated Carbon Odor Control  
Systems

### **Centrisys / CNP**

Dewatering and Sludge Thickening  
Decanter Centrifuges, Low-Temperature  
Belt Dryer, PONDUS™ Thermal  
Hydrolysis Process, CalPrex™  
Pre-Digestion P-Recovery,  
MagPrex™ (Formerly AirPrex)  
Post-Digestion P-Recovery LIPP  
Aerobic Digesters and Storage Tanks

### **Rebuild-it Services Group**

Clarifier Rebuilds

### **Regal Gas Chlorinators**

Gas Chlorinators, Sulphonators, and  
Ammoniators, Gas Detectors, REGAL  
SMARTVALVE™ (Flow Pacing  
Valve), Single and Dual Cylinder  
Scales, Electronic Scales, and  
Vacuum Monitors

### **Combs Technologies, Inc.**

Chemical Feed, Disinfection,  
Instrumentation

### **ECS House Industries**

Floating Brush Aerators

### **S&S Process Equipment**

Skid Mounted Chemical Feed  
Systems

### **ENEXIO Water Technologies**

PVC, PP, and PVDF  
Lamella Tubes and Media

### **Viking Chains Group—Enviro Division**

Chain, Sprockets, Flights, Wear Shoes,  
Bearings, Shafts, and Static Sleeve  
Bushings

### **Flo Trend Systems**

Dewatering Containers for  
Sludge & Grit
